Work Session -

The Lanett City Council met on Monday, December 15, 2025, at the Lanett City Hall at 5:30 P.M.

Mayor Jamie Heard called the Work Session to order and welcomed everyone. Present at the work session were Councilmembers Zachery, Story, Lynn, Bagley, and Roberts. Mayor Heard presided over the meeting.

Mayor Heard stated that the first thing on the agenda was Charter Spectrum and WOW Franchise Consultant Agreement. Councilmember Brad Lynn stated that we could manage this internally. He asked to look at Local Government's agreement and review WOW, Charter Franchises, and not use Local Government. Mayor Heard asked if we could get Greg Fender to come in and speak with the council. Bagley and Story stated that they would like to hear from him.

The next discussion was concerning the Chattahoochee Valley Humane Society. Danz Frazier, President as well as Shelter Director Philisha Hadaway were present to answer questions and give a report. Mr. Frazier thanked Councilmember Bagley for coming out to tour the facility. Bagley stated that his concern was the housing of mother dog and puppies being counted separately. Hadaway stated that the puppies stay with the mother for eight weeks and once they are weaned, they go in a separate cage, but the cage must remain available. Frazier stated that our agreement is for the number of animals, not the number of kennels and the main issue is that we need to implement a spay/neuter program. Bagley asked where the nearest spay/neuter facility, which is in Auburn Veterinarian Hospital and Tuskegee University Veterinarian Hospital. Mr. Frazier shared the names of their board members and stated that their financials are open to inspection.

Mayor Heard asked for a motion and second to adjourn the meeting. Councilmember Bagley gave the motion, and it was seconded by Councilmember Story. The meeting adjourned at 5:51 p.m.
