Work Session -

The Lanett City Council held a Work Session on Monday, August 3, 2026, at the Lanett City Hall at 5:00 P.M.

Mayor Jamie Heard called the Work Session to order and welcomed everyone. Present at the work session were Councilmembers Zachery, Story, Lynn, and Bagley. Councilmember Roberts was absent. Mayor Heard presided over the meeting.

The first item of discussion was an Easement Agreement with Alabama Power for the Lanett Regional Airport Councilman Lynn opened up the discussion by asking if the City of Lanett could provide these services to the airport. After much discussion and listening to statements from the Electric Foreman Keith Lowery, it was determined that this would be a costly expense that the city could not recoup. It would be at least a seven-mile rung to get to the airport which would include numerous poles, wires, manpower with no return on investment.

Mayor Heard recognized Dave Shirley who came before the council to ask them to consider transferring a sewer easement agreement that was given to him in 2001 on a property that he owned to another property that he owns. Water Superintendent Richard Chapman explained about the location and what it would take to make this happen.

Mayor Heard asked for a motion and second to adjourn the meeting. Councilmember Bagley gave the motion, and it was seconded by Councilmember Lynn. The meeting adjourned at 5:42 p.m.
